# 'We are one' exhibition

Eaglehawk Citizens Band Rooms, weekend of 16-17 March, 10am-4pm

An exhibition of contemporary works on canvas, traditional European folk art, and a display of fabric painting – inspired by the recent Marimekko exhibition held at the Bendigo Art Gallery.

The exhibition will also feature guest artist Judy-Anne Cantwell.

This year's festival theme 'We are one' typifies the spirit of the small group of artists, who meet every week not only to paint but to offer each other instruction and support.

We believe that everyone is an artist and that art making is an activity that can be enjoyed by people of all ages, abilities, and from all walks of life.

When people create together in a supportive, non-judgemental atmosphere they begin to relate to one another through the process and expressive qualities of their work.

Along the way we have not only fulfilled our desire to paint, we have formed a friendship of likeminded people – people who love to paint.

The exhibition provides a platform for our artists to showcase their art as one, while also supporting the popular Dahlia and Arts festival.

Proudly supported by Eaglehawk UFS, the public will once again be asked to vote for their favourite piece of artwork in each category.

Entry \$3 with all proceeds going to the Dahlia & Arts Committee for distribution to local groups and organisations.

Home-made scones, jam and cream with a cuppa for \$3, served both days.
