

SUNDAY FAMILY DAY

SUNDAY MARCH 20th 2022,

11am – 3pm, Canterbury Park, Eaglehawk.

The "Sunday Family Day" planning has *started* and we are hoping that your group will be able to come along and enjoy day with many families participating in your activities.

We are excited to be able to get going again.

Our range of activities have been fabulous and we are planning for a few different activities this year, of course, we are continuing to stay with our original ethos of

"providing a Day where families can play together".

We are hoping that you can attract some new members to your activity as we they will not have seen you in action for a while!

We shall work with the media for great coverage for the Day, in particular, to encourage many more people to come along, who for some reason haven't been before!
