

SUNDAY FAMILY DAY

SUNDAY MARCH 17th 2019,

11am – 3pm, Canterbury Park, Eaglehawk.

Please find enclosed information about our Family Day, which runs as part of the Dahlia & Arts Festival. We have been happening for the past fifteen years and our main aim is to encourage families to have fun together doing a range of activities which are provided by local not- for -profit groups.

We have sponsorship from *Empowering Eaglehawk Inc.* and also other local business', which allow us to do provide the Day's activities free to families.

There is a range of activities provided - ten pin bowling, climbing, rides & jumping castle, face painting, baseball and lots of fun provided by the FUSION kids.

Local group do provide a BBQ and drinks at low prices- we also encourage families to bring along a picnic too.

We welcome your group to come along and join in with us, *with an activity to showcase the type of activities your group does,* or hopefully you may find the time to come along, even for a short visit, to see what we offer - we are always keen to expand and listen to ideas.

If you have any inquiries please contact me ...
